INSTITUTE OF PROFESSIONAL LEARNING

A Complete School for the future Managers

Recognised by govt. Of Odisha under Utkal University, Bhubaneswar

Chairman's Message

Dear friends,
Greetings. Thanks for your interest in IPL.

Education is the basis of all progress. The entire purpose of our education is to impart knowledge, skills and also to inculcate philanthropic values like wisdom, compassion, courage, humility, integrity and reliability in a student. We believe in holistic education for your child and grooming young minds and hearts as the pillar of advancement of a nation and hope of the future.

Our teams of professional educators are dedicated to helping each student attain his or her maximum potential, both academically and socially. Fostering and celebrating our student's talents and achievements are at the core of all we do every day

About IPL

Institute of Professional Learning (IPL) is established under the patronage of Patitapabana Educational and Charitable Trust. Patitapabana Educational Trust has rich experience in enhancing the skill power of under privileged students through skill development programme, Yoga & Meditation programme before putting their footsteps into Academics. IPL became a pioneer institute by giving their continuous and dedicated efforts using the most valuable resources and infrastructure.

Institute of Professional Learning (IPL), Bhubaneswar commenced the classes for the first batch of Bachelors in Business Administration (BBA), and Bachelors in Computer Application (BCA) approved by Government of Odisha.

The campus of IPL at Bhubaneswar is dedicated to develop socially sensitive, ethical, value adding leaders and organizations through relevant teaching, training, research, and consulting that serve stakeholders' interests.

IPL, Bhubaneswar has a class infrastructure with wide open spaces and large well equipped classrooms, syndicate rooms, state-of-the-art Library & Computer Centre with AC Lecture hall and Seminar Halls are truly the hallmark of the campus.

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

The objective of BBA at IPL is to produce Business leaders with strong foundation, Leadership skills, Creativity and entrepreneurship.

In this three years of program the student will learn about Management Principles and Practices, Economic influences, Finance and Accounting, Marketing tactics, Production Operation, Communication, IT and many more.

Our approach towards teaching is more practical oriented where knowledge is imparted for practical application in corporate world.

BACHELOR OF COMPUTER APPLICATION (BCA)

A three year course consisting of theory and practical classes as the gateway for system and computer application professionals.

The BCA program provides students with fundamental, and background knowledge of computers and necessary expertise for using this powerful tool for various day to day activities. Besides courses on computer architecture, operating system and programming languages, it also includes data storage and data retrieval techniques.

Thus, preparing the candidate to take up responsibilities as IT architect, application developer, technical support engineer and back office operations
